

# Primary School Poster Competition

This year's National Water Week theme is:

## 'Healthy Catchments, Healthy Communities'

Students are invited to create an A3 poster reflecting a water related issue important to them.

Entries close:  
Friday 2 September 2011

Four categories:

Prep  
Years 1/2  
Years 3/4  
Years 5/6

Prizes include:

- Ipod shuffle
- digital camera
- micro hi fi system
- Smiggles stationery

\*See entry form for full prize details

Posters will be judged according to the following criteria:

- How well they convey water related issues
- How well they can be reproduced to promote National Water Week
- Effective use of art materials
- Originality of design

Posters must be received by **4pm on Friday 2 September 2011**. See entry form for postage details. Entries will be judged locally. Winners in each category will then be submitted for state judging.
