Important notice for recycled water customers

EPA Victoria requires inspection of all residential recycled water plumbing to be carried out by the PIC at the following stages: 1. Meter to dwelling; 2. Rough in; 3. Commissioning. The plumber named on this application is responsible for contacting the Plumbing Industry Commission (9835 5540 or 9835 5556) to schedule inspections.

One working days notice is required. The total cost of these mandatory inspections will be met by City West Water.

I acknowledge that I have read and accept the requirements for connecting to recycled water

Signed: _____

Date: _____

Preferred method of approval: fax mail phone email

By submitting and signing this application form I do so as the owner/on behalf of the owner and therefore will ensure any and all appropriate permits are obtained prior to any works commencing. I also acknowledge that should/when a meter(s) is installed as a result of this application then appropriate service charges will apply

Signed: _____
