

# FOR PARENTS AND CARERS

## YOUR CHILD IS LEARNING A LOT ABOUT WATER.

City West Water encourages conversations about the importance of water and ways everyone can help make every drop count.

Please complete the pledge to do your bit at home.

Take the time to chat with family about great ways you can be part of the change too.

City West  
Water™

I know my actions are important to the water cycle.  
Here's what I will do help make every drop count.
